

CU Holiday Activity Newsletter

XMAS HOLS:

21st Dec to 5th Jan

(Please double-check your school's calendar for changes)

Welcome

Welcome to the December '24 edition of our SYCU Passport to Learning newsletter. It contains information about activities happening right across the region in the holidays, so why not take a look? Some activities are free, others are charged, but there's plenty to choose from. Remember, you can earn CU credits for taking part! All our Learning Destinations (approved activity providers) deliver activities throughout the year, so why not find their details and discover what's on offer?

www.childrensuniversity.co.uk/activity-search

“ IN THIS ISSUE... ”

Find activities including trails, Minecraft, Forest School, STEM, arts and crafts, Parkour, pantomimes, climbing, gaming, cookery, lifesaving, singing, drama, dance, Virtual Book Club, Christmas crafts, football, Winter Reading Challenge and more, plus links to hundreds of home learning challenges too!

JOIN NOW

Our CU centres in Barnsley, Doncaster, Rotherham and Sheffield all work slightly differently. So, take a look at the next page to find out how your child can join in.

CHILDREN'S UNIVERSITY - WHAT IS IT?

Children's University (CU) encourages children and young people to take part in extra learning activities in their own time (beyond the school day). They earn 1 CU credit per hour they take part, which leads to certificates and badges between 30 credits (Bronze Award) and 100 credits (Gold Fellowship). Some are presented at our Gold Awards Ceremonies (see the picture at the top!). We know it makes a difference - pupils have fun and make new friends as well as develop confidence, motivation and essential life skills. They're more likely to have better attendance, make more progress and achieve more at school.

Did you know...?

There are Children's University (CU) centres right across the country. Here in South Yorkshire, we have some of the UK's biggest CUs with tens of thousands of children and young people collecting hundreds of thousands of CU credits every year...that's amazing! You're amazing!

In the last few years, Doncaster, Rotherham and Sheffield CUs have been working together to share ideas on how we can make CU even better in South Yorkshire and we're delighted to say that Barnsley CU have now joined us too. This means that there are even more opportunities for children, young people and families to earn CU credits right across our region.

Not sure which CU centre your child belongs to?

**It's whichever Council area that their school is covered by.
Not sure? Ask in school**

And this Holiday Activity Newsletter is just one of the ways we're pulling our ideas together. So, just before every school holiday, look out for our newsletters packed full of ideas of places to visit, new things to try and activities to take part in.

The way CU members collect their credits is a little different in each area, so here's a quick guide...

How to collect your CU credits at Learning Destinations...

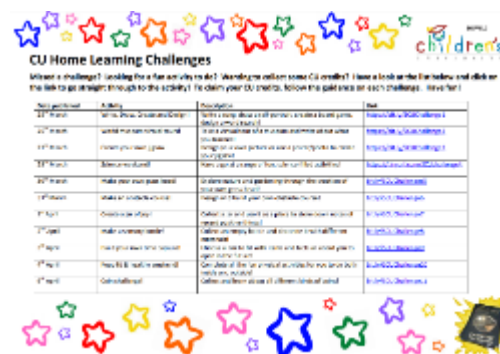

Barnsley, Doncaster & Rotherham CU members

- Take part in the CU activity
- Ask for the CU stamp code
- Write it in your Passport to Learning (if you have one)
- Log into CU Online
- Claim your credits using the CU stamp code

Sheffield CU members

- Take part in the CU activity
 - Sheffield Learning Destination:**
 - Ask the Learning Destination to sign your Passport to Learning
 - Add your details to the CU register before you leave
 - Learning Destination beyond Sheffield:**
 - Ask the Learning Destination to sign your Passport inc. the CU stamp code
 - Claim your credits here...

The Reading Agency will be launching their online Winter Mini Reading Challenge on 1st December and will run up to 20th February.

The challenge is an online wintery version of the Marvellous Makers Summer Reading Challenge.

To take part, children will need to create an online profile so that they can log what they read. It's easy to do but they will need help from a parent or carer to do so, they can do this by logging on to: www.wintermini.org.uk

Children can then borrow and read books from their local library to add to their reading profile, they are encouraged to read at least three books.

On completion of their challenge children will be able to unlock a virtual badge and print off a certificate. There are also lots of games, puzzles and different activities for them to do online.

To claim your CU credits, take along your downloaded certificate to your local library...

- Sheffield CU members (take along your Passport to Learning for signing and add your details to their CU register)
- Barnsley, Doncaster, Rotherham CU members (ask for the CU Online code and enter it into your profile to claim your credits)
